HOW WE WORK

Design Studio is a customised full home interior solution provider that enables you to get the house you always wanted, at the cost convenient for you. From designing the finest homes by some of the finest architects and interior designers, to material supplied by some of the most credible vendors, it's no surprise that we take away the stress, leaving you with the home you always dreamt of.

1. Meeting the Designer

The first step in the process is meeting with the designer who will give shape to your dreams. This interaction will give our designers a valuable insight into your vision for your house

2. On-site measurement

For a cohesive treatment to your interiors, we ensure to take accurate measurements that help us in creating perfect designs

3. Presenting designs

Once the approvals are in place and we have a buy-in from every stakeholder, we start with the manufacturing and acquisition of products

4. Sharing quote

Once all the stakeholders are aligned on the designs and layouts, the quote is shared basis the approved designs

5. Contract and payment

Signing the dotted line and payments just fortify our trust in each other

6. Intelligent manufacturing

We have our own manufacturing facility for panel based products which helps us in keeping a track on the quality

7. Concierge

We assist you to move into the new house post all the installation and services, without much hassle. After all, we take great pride in being a small yet crucial part in creating your dream home
